

Vermont Developmental Reading Assessment Book Ordering Information

If you are finding that you need more VT-DRA books you may order them directly from the publisher, Pearson Early Learning. These sets of books are assembled exclusively for Vermont so it is important that you specify the ISBN numbers so that you receive the correct book sets.

The person in charge of purchasing for your school should call Pearson at 1-800-552-2259. Any customer service representative can handle the order. The ISBN numbers you will need (they are divided into two sets) are:

0-673-58814-9Set 17	\$42.95 (shipping may be extra)*
0-673-58008-3Set 3	\$12.50 (shipping may be extra)*

If the customer service person says the books are restricted by contract let them know that you are an authorized buyer and they don't need supervisor's approval. If they are unsure refer them to Lorraine, ext. 805. It is best to order early and not wait until late in the year.

* Cost of books may vary slightly due to publishing costs.
